# Concessions Update

## Latest Information

- GHS has upcoming playoffs games on 2/13 and 2/15 and we need volunteers. If our teams play after playoffs, we will update sign up genius
- Teams/Clubs can earn \$12h M-Th; \$15h on weekends while volunteering
- Concessions will split earnings in a 70/30 split when teams/clubs have events (i.e. volleyball jamboree)
- Club Unified brought in \$649 on 2/4
- The sign-up genius for the spring season will be released soon. Please identify a sport, if you put 2 then we will revert to whichever sport is in current season.
- Concessions Earnings (12/1-2/8) \$13,633
- Total Earnings per team/club (see next slide)

## How you can help

- Concessions would love to have a Parent Representative from each team/club. This person would help relay volunteer information, sign-ups, etc. to their team/club
- All sign-up genius links will be located at the top of CABG Facebook page. We would love parents of other groups to also share the link in their respective groups
- Concessions has signs hanging with directions for opening/closing
- We need volunteers to remember we work with the kitchen and MUST follow their rules as well. This helps avoid any health code violations and allows us to continue using their space.
- We would love to see our GHS Clubs participate in Concession Volunteering as well!
